

Where can I get help?

ACSMA Founding Members

Did you know that the ACSMA founding members are there to help if you would like additional information, advice or support?

They have a range of information materials and other resources to help you manage your condition and self-monitor your anticoagulant therapy.

Please contact individual ACSMA members directly as follows:

AF Association is an international charity that provides information, support and access to established, new or innovative treatments for Atrial Fibrillation (AF).
